Important Notice: ADAS Driver Safety System Calibration

The customer acknowledges that certain windshields replaced by Auto Glass in San Antonio may contain sensors for items such as lane departure warning system, lane keep assist, forward collision alert, collision assist, smart city brake, or any other sensor which controls the movement of the vehicle. Auto Glass in San Antonio has given the customer notice that the original equipment manufacturer may require the windshield sensor to be recalibrated or programmed after it is transferred from the broken windshield to a new windshield.

Auto Glass in San Antonio does not warrant or guarantee the proper function of any windshield sensor that was removed from a broken windshield.

The customer further acknowledges that it will be the customer's sole responsibility and expense to confirm the proper operation of the windshield sensor, or to recalibrate or reprogram any malfunctioning sensor that was removed from the customer's broken windshield.

Rock Chip Repair Disclaimer

Rock chip repair is not a cosmetic repair; you may still see where the chip is located once the repair is complete. After the completed repair you have a lifetime warranty that the chip will not spread from the original repair location. If the repaired rock chip should spread, we will apply what was paid for the rock chip repair towards a full windshield replacement of the windshield with our company. The sole purpose of a professional windshield repair is to restore the structural integrity of the glass. It is important to know the appearance after a windshield is repaired is not an indicator of whether or not the repair was successful. Since we are working with a glass that is already broken, during the repair, there is always a possibility that as the technician is pushing the resin (glue) into the chip that the chip could spread. If that should happen, we will not charge you or your insurance for the attempt but we cannot guarantee the windshield.

Responsible Notice

ATTENTION CUSTOMER: You are being notified in accordance to the MOTOR VEHICLE LAWS SECTION 70.001- 70.008 that your vehicle may be subject to REPOSSESSION for RETURNED CHECKS such as INSUFFICIENT FUNDS, ACCOUNT CLOSED, STOP PAYMENT, OR STOLEN CHECKS. This also applies to CREDIT CARD STOP PAYMENTS. You will also be liable for the cost of any repossession fees or other incurred expenses.
